

CReed Global Media Sponsors *Champions of Diversity*, Launches *CGM Gallery* for Event Attendees

[CReed Global Media \(CGM\)](#) was honored to sponsor the *10th Annual Champions of Diversity Awards*, hosted by the [City of Houston's Office of Business Opportunity \(OBO\)](#). This prestigious event, held on **February 17, 2025**, at the **Hilton Americas-Houston**, recognized the outstanding achievements of individuals and organizations championing diversity, inclusion, and business excellence throughout the Houston community.

CGM's commitment to amplifying diverse voices in media, marketing, and communications aligns seamlessly with the mission of this event, which honors **Minority, Women, and Small Business Enterprises (MWSBE)**, prime contractors, City of Houston departments, and community advocates for their work in driving inclusion. Proceeds from the annual event's sponsorships directly support OBO's business development, workforce, and capacity-building programs, helping small businesses and historically underutilized enterprises grow, succeed and thrive.

A Lasting Commitment to Inclusion and Representation

At CGM, we believe that “**diversity is a strength not a weakness in our city**”—a sentiment echoed by **Houston Mayor John Whitmire** after the ceremony. Through our sponsorships and continued media initiatives, we are dedicated to supporting events and organizations that empower historically underrepresented businesses, entrepreneurs, and creatives.

The Champions of Diversity Awards reinforced the importance of **economic inclusion, workforce development, and supplier diversity**—values that are deeply embedded in CGM's vision for a more equitable media and business landscape.
