

“Let The Fellas Talk!”: Why ‘Regal Roundtable’ Should Be on Every Creator and Entrepreneur’s Radar

In a digital world where conversations move fast and attention is scattered, [*CGM TV’s Regal Roundtable*](#) stands out as the kind of show that slows things down—in the best way possible. It’s not just another talk series. It’s a space where creators, entrepreneurs, and industry leaders press pause on the noise to share what’s really happening in their world.

Hosted by Todd A. Smith and streaming exclusively on the ***CGM TV app***, available on [Google Play](#) and [Apple’s App Store](#), *Regal Roundtable* brings together people at the top of their game to unpack what’s shaping the future of **media, culture, innovation, and business**. These aren’t surface-level soundbites or highlight reels. This is the kind of content that makes you think, shifts your perspective, and gives you something solid to apply in real life.

Real Conversations with Real Value

Each episode feels like sitting in on a private, behind-the-scenes conversation you wouldn’t normally have access to—except now you do. Whether the topic is branding in a saturated market, the mental resilience it takes to build something from scratch, or how to stay ahead in rapidly shifting industries, *Regal Roundtable* pulls back the curtain and gives you the real story.

There's no sugarcoating. No clickbait. Just honesty, strategy, and the kind of wisdom that comes from experience.

For the Builders, Thinkers, and Movers

Regal Roundtable isn't just for one type of listener. It's for the **multi-hyphenates, the visionaries, the quiet innovators doing big things behind the scenes, and the next generation of leaders** trying to figure out what's next.

It doesn't matter if you're a content creator, small business owner, executive, or student of the game—if you're looking to grow, create, or lead, there's a seat for you at this table.

And the best part? You can access it all right now—no gatekeeping.

What You'll Get When You Tap In:

- **Exclusive interviews** with thought leaders and creatives you need to know
- **Timely insights** on where business, branding, and culture are heading
- **Actionable advice** from people who've built brands, managed crises, scaled teams, and stayed authentic
- **Behind-the-scenes gems** that don't make it into the headlines, though matter most when building something real
